Misconduct	Report in writing and submit to the VSA office within 24 hours. Email reports of Serious Foul Play and Violent Conduct to tpenaluna@gmail.com.
Match duration	2 x 40 minutes
Slide tackles	A slide tackle without contact is an automatic Caution (yellow card). A slide tackle with contact is an automatic Send Off (red card). In both cases, restart with a Direct Free Kick or Penalty Kick. Sliding to keep the ball in play when no other player is around is not a tackle so no problem. If the keeper slides to make a save with his hands or body it is probably ok but if he slides to tackle then he is treated like any other player and cautioned or sent off.

Online game reports, other than the Over 35 league, are submitted at www.vernonsoccer.ca. Click on the soccer ball icon to get to the game report page. Be sure to select the Referee's game report.

There is now a drop box at Marshall for game and misconduct reports (except for the Over 35s). It is located at the back of the Indoor facility near the door to the Women's washroom.

Make sure you are assigned to the correct position on the correct game in the Arbiter. This will determine if and how much you will get paid. If changes are required contact

Ralph Dawson at rldawsonsoccer@shaw.ca. Also contact Ralph if an official does not show up for a game.

Our goal is to have pay cheques ready to distribute by the second Thursday after the end of the month. Keeping the Arbiter updated will help us achieve that goal.
